PRIVACY POLICY

Last updated 16 march,2019

We, Elixia Tech, respects the privacy of our users, This Privacy Policy explains how we collect, use, disclose, and safeguard your information when you visit our mobile application (the "Application"). Please read this Privacy Policy carefully. IF YOU DO NOT AGREE WITH THE TERMS OF THIS PRIVACY POLICY, PLEASE DO NOT ACCESS THE APPLICATION.

We reserve the right to make changes to this Privacy Policy at any time and for any reason. We will alert you about any changes by updating the "Last updated" date of this Privacy Policy. You are encouraged to periodically review this Privacy Policy to stay informed of updates. You will be deemed to have been made aware of, will be subject to, and will be deemed to have accepted the changes in any revised Privacy Policy by your continued use of the Application after the date such revised Privacy Policy is posted.

COLLECTION OF YOUR INFORMATION

We may collect information about you in a variety of ways. The information we may collect via the Application depends on the content and subscription you use, and includes:

Personal Data

Demographic and other personally identifiable information (such as your name and email address) that you voluntarily give to us when choosing to subscribe to our services related to the Application, such as tracking, your internal order information and/or information for subscription to our web-based services you've chosen to use.

Geo-Location Information

We may request access or permission to and track location-based information from your mobile device, either continuously or while you are using the Application, to provide location-based services. If you wish to change our access or permissions, you may do so in your device's settings.

Mobile Device Access

We may request access or permission to certain features from your mobile device, including your mobile device's [bluetooth, calendar, camera, contacts, microphone, reminders, sensors, SMS messages, social media accounts, storage,] and other features. If you wish to change our access or permissions, you may do so in your device's settings.

Mobile Device Data

Device information such as your mobile device ID number, model, and manufacturer, version of your operating system, phone number, country, location, and any other data you choose to provide.

Push Notifications

We may request to send you push notifications regarding your account or the Application. If you wish to opt-out from receiving these types of communications, you may turn them off in your device's settings.

USE OF YOUR INFORMATION

Having accurate information about you permits us to provide you with a smooth, efficient, and customized experience. Specifically, we may use information collected about you via the Application to:

1. Create and manage your account.
2. Functionality required to fully utilize the subscription of services you've enrolled for, collecting and further transmitting data as required by the application and/or web-based solution.
3. Email you regarding your account or order.
4. Fulfill and manage purchases, orders, payments, and other transactions related to the Application.
5. Generate a personal profile about you to make future visits to the Application more personalized.
6. Increase the efficiency and operation of the Application.
7. Monitor and analyze usage and trends to improve your experience with the Application.
8. Notify you of updates to the Application.
9. Perform other business activities as needed.

DISCLOSURE OF YOUR INFORMATION

We may share information we have collected about you in certain situations. Your information may be disclosed as follows:

By Law or to Protect Rights

If we believe the release of information about you is necessary to respond to legal process, to investigate or remedy potential violations of our policies, or to protect the rights, property, and safety of others, we may share your information as permitted or required by any applicable law, rule, or regulation. This includes exchanging information with other entities for fraud protection and credit risk reduction.

TRACKING TECHNOLOGIES

Cookies and Web Beacons

We may use cookies, web beacons, tracking pixels, and other tracking technologies on the Application to help customize the Application and improve your experience. When you access the Application, your personal information is not collected through the use of tracking

technology. Most browsers are set to accept cookies by default. You can remove or reject cookies, but be aware that such action could affect the availability and functionality of the Application. You may not decline web beacons. However, they can be rendered ineffective by declining all cookies or by modifying your web browser's settings to notify you each time a cookie is tendered, permitting you to accept or decline cookies on an individual basis.

SECURITY OF YOUR INFORMATION

We use administrative, technical, and physical security measures to help protect your personal information. While we have taken reasonable steps to secure the personal information you provide to us, please be aware that despite our efforts, no security measures are perfect or impenetrable, and no method of data transmission can be guaranteed against any interception or other type of misuse. Any information disclosed online is vulnerable to interception and misuse by unauthorized parties. Therefore, we cannot guarantee complete security if you provide personal information.

POLICY FOR CHILDREN

We do not knowingly solicit information from or market to children under the age of 13. If you become aware of any data we have collected from children under age 13, please contact us using the contact information provided below.
